

VSCA School Counselor Spotlight

THE DETAILS:

- A school counselor (s) program or event can be submitted for recognition.
- We would love to focus on different regions throughout the state and encourage ALL regions to submit.
- Submissions will be reviewed by the Communications and Public Relations committee.
- Your submission indicates agreement to be posted via social media platforms. It will be up to the nominee to ensure that all confidentiality and non-disclosures are followed.

TIMELINE:

- Names can be submitted at any time using the google form.
- Recognition will be made via social media at the end of each month.

SELECTION:

- We are looking for individuals and programs who may not get the recognition they deserve. We know that Virginia counselors are doing some awesome work and we need your help sharing this information. We are looking for pictures and a brief narrative about the counselor, the program, and/or the event. Once submitted, we will reach out for additional information.
